Re: Accotink Station Property

Dear Mr. O'Connell:

This firm has been retained by your sister Jean O'Connell Nader to represent her with regard to your family's approximately 15 acre property in Springfield, Virginia identified on the Fairfax County Tax Map as TM 90-4 ((1)) 17. As you know, that property is in a Land Trust of which you are Trustee and Jean is a beneficiary.

The Trust was established in 1992, the year following your mother's death. In addition to Jean, its beneficiaries are yourself, your sister Sheila, and a Residuary Trust established by the Will of your father, its current beneficiaries also being Jean, Sheila, and yourself. We understand from Jean, and the correspondence at the time clearly confirms, that the family's intent in establishing the Land Trust was to facilitate the sale of the property. To this end the beneficiaries of the Land Trust also gave you a Power of Attorney with regard to the property. Your appointment as Trustee and Attorney in Fact in 1992 made sense since you were the only one of your siblings living in Virginia at that time.

To Jean's knowledge, during the almost twenty (20) years since you were appointed Trustee, you have entered into no contract for the sale of the property. There were negotiations with Bill Lynch, a family friend, and Andy Sommerville in 2007, but they came to naught. You apparently did not list the property with a real estate broker when you left Virginia some years ago, and we find no indication that the property is now being marketed.

Anthony M. O'Connell
May 25, 2012
Page 2

Real estate taxes have not been paid on the property since 2009, and Fairfax County has turned the matter over to a collection agency. As of last month, the total amount due, including interest and penalties, was \$27,650.14. This figure will of course increase every day that the delinquent taxes are not paid. Eventually Fairfax County could recover the taxes by selling the property to enforce its tax lien. As you recall in the past Jean sent you checks for her portion of the real estate taxes, but you refused to accept them since they were made payable to Fairfax County rather than to you.

The Land Trust Agreement provides for the expiration of the Trust twenty (20) years after its establishment if all or any portion of the property remains in the Trust at that time. Because the Trust was established on October 16, 1992, the date of its expiration is fast approaching. The interests of you and your sisters would clearly best be protected if the three of you agreed to and put in effect a plan to sell the property and to pay the overdue real estate taxes. Such a plan would necessitate an amendment to the Land Trust Agreement or, better yet, an alternative means of holding legal title to the property.

Since you now live in Arizona and are evidently not willing or able to perform your fiduciary duties as Trustee, Jean has volunteered to serve as Trustee under an amended or alternative trust arrangement. Living in Pennsylvania, she is geographically the closest of the beneficiaries to the property, and this firm, which is located in Fairfax City, could assist her in carrying out her duties as Trustee to manage and, most importantly, to sell the property. Jean has been in touch with Sheila about this matter.

As counsel for Jean, we advise you that, effective immediately, she is revoking the 1992 Power of Attorney. A document to that effect will be recorded among the land records of Fairfax County, and we will send you a copy of the recorded document.

Jean has requested that you deal with this law firm rather than directly with her in moving forward with this matter. Accordingly, we ask that you contact us at your very earliest convenience. Given the approaching October 16, 2012 deadline for expiration of the Trust and the real estate tax situation, it is imperative that action on the property not be further delayed. If we have not heard from you by the end of June, Jean will have to consider all alternatives open to her, including a suit in the Circuit Court of Fairfax County.

As counsel to Jean we look forward to working with you and Sheila in naming Jean as Trustee and coming up with a plan for selling the property on terms that will benefit all of you.

Ms. Sarah Hall, of the law firm of Blankingship and Keith,

I apologize for the delay in responding to your letters of May 25, 2012, and May 31, 2012; I had a medical problem. Thank you for your email address.

Please look at my websites <http://www.alexandriavirginia15acres.com> and <http://www.canweconnectthedots.com> and decide whether you want B&K to support the accountants or the law. If the accounting at Bk467p191 in the public record were exposed, it would show that our sister Jean Nader is being used by the accountant's to make money disappear, and that there is no end in sight. Our family is innocent no matter how much the accountants make it appear otherwise. Can B&K enforce the law and have the accounting trails behind Bk467p191 actually be exposed? Would you please explain to Jean Nader some of the ways we have been set up?

I saw the only possible way to sell Accotink without our family being put through another round of conflict and confusion and have our money disappear behind it, was to not pay the real estate taxes on Accotink so Accotink would be sold for back taxes; but someone paid enough of the taxes to stop that.

Dear Sarah E. Hall,

I am very impressed that you provide your email address; it provides transparency and accountability. It's been my experience that it is seldom done. I am also impressed by your background (http://www.blankingshipandkeith.com/bk.cgim?template=attorney&employee_id=14)

The three beneficiaries of the Virginia Land Trust for Accotink, Jean Nader, Sheila O'Connell, and Anthony O'Connell, are, or are about, 70, 72, and 74 years old, and we are all in poor health. It is probable that the proceeds of Accotink would go to the next generation, and that is the reason I sent copies of my email to you of July 14, to those of that generation that I have email addresses for:

Sheila O'Connell <sheilamail4@gmail.com>, beneficiary
Amy Johnson <natron36@hotmail.com>, daughter of Jean Nader
Jean Nader <jeansfinedining@hotmail.com>, beneficiary
Anthony O'Connell <anthonymineroconnell@gmail.com>, beneficiary and trustee

Tammy Tierney <fins2theleft@maine.rr.com>, daughter in law of Sheila O'Connell

Thank you.

Well, this was not the kind of correspondence I anticipated. Normally I would expect vacation photos or links to funny videos about cats.

I would like some background on this issue and why Tammy and I are being included in the string. It is not that I doubt your veracity, but rather this is straight out of the blue and we do not know what to make of it.

Thanks very much.

Dear Sarah E. Hall,

I wonder if you wonder whether Jean Nader might have intentionally mislead you into believing that I have done little to try to sell Accotink, when it has become obvious that that is not true. Jean Nader would not intentionally mislead you; she trusts what the accountant's tell her to a degree that is beyond believing. She will do what the accountants tell her to do. I believe you would be astounded. She is innocent.

If your staff studied <http://www.canweconnectthedots.com>, would they see that the accountants manipulated our mother into putting Jean in control? Putting Accotink in the control of Jean Nader is putting Accotink in the control of the accountants.

I pray that you would use your power and prestige, and most of all your willingness to be transparent and accountable, to ask B&K to try to expose Bk467p191. The path to exposure would show most all that is needed. If this is not possible in the situation that we find ourselves in now, I don't believe it ever will be exposed. B&K would be giving the real estate industry of Virginia, the legal profession of Virginia, and the people of the country a huge gift.

Example

1987.12.24 (From the 1987 sales contract I negotiated with Lynch Properties)

"PURCHASE AGREEMENT"

THIS AGREEMENT is made and entered into this 24th day of December 1987, by and between JEAN MINER, ANTHONY M. O'Connell, TRUSTEE and HERBERT A. HIGHAM, TRUSTEE ("**Seller**") and LYNCH PROPERTIES LIMITED PARTNERSHIP, a Virginia limited partnership, or assigns ("**Purchaser**"). The Seller and the Purchaser are sometimes hereinafter referred to as the "parties". - - -

(I can't convince our family my that this means that the "Seller" is a single legal entity; that someone would represent all or none of the grantors comprising the single legal entity of "Seller", and that the "Seller" can not be divided unless all parties to the contract agree to it.)

Section 11. Notices. (From the 1987 sales contract I negotiated with Lynch Properties, same document as the above)

All notices or communications required or permitted under this Agreement shall be in writing and shall be deemed duly given if in writing and delivered personally, or sent by registered or certified United States mail, return receipt requested, first class, postage prepaid, to the following addresses, (or such other addresses as may be designated in writing):

(a) if to the Seller:

Anthony M. O'Connell, Trustee

2337 S. 13th Street
St. Louis, Mo. 63104
and

(b) with a copy to:
Jean Miner O'Connell
6541 Franconia Road
Springfield, Va. 22150

(I can't convince our family my that this section means what it says; that I am the point of contact for the single legal entity of "Seller").

Takeover

1991.03.15 (Edward White to Anthony O'Connell, copy to Jean O'Connell, in part)

"In regard to your inquiry as to why, in 1988, there came a time when **I refused to deal with you on the sale**, 7 as I said, I recalled that a conceivably adverse relationship had developed between you and your mother concerning the sale.

(I can't convince my sister that Edward White's " .. I refused to deal with you on the sale ..." is against contract law.)

\$125,188 disappears, see bk467p191
(April 21,1992, payment from my sale)

"2. My copy [Jean O'Connell's 1991 IRS Form 1040] also does not show the principal of \$125,188.17 paid to my mother by the **Lynch Note in April of 1991**. It does show the interest. **With a gross profit percentage of .79 on the installment sale, about \$98,898.65 of the \$125,188.17 should have been reported on line 13 of the 1040 as a capital gain**. It appears that this omission is up and above the penalties and interest already acknowledged. Why was it not reported? Will you amend the return?"

(1992.05.29 Anthony O'Connell to Edward White, in part.)

"With regard to the income tax matter and the capital gain from the receipt of principal on the Lynch note in April 1991, I was following the 1990 return and **simply did not pick up the fact that there was a principal payment in 1991**. I will most certainly pay any interest and penalty which might accrue in this regard, and sincerely appreciate your calling it to my attention."

(1992.06.11 Edward White to Anthony O'Connell, in part.)

\$545,820 disappears, see bk467p191
(April 21,1992, payment from my sale)

"**The Lynch note will not produce any capital gain** since it was taxed in the estate as part of your mother's assets."

(1992.11.13 Edward White to Anthony O'Connell, Jean Nader, and Sheila O'Connell, in part.)

"The Lynch Note to the estate, a result of the installment sale of my mother's residence on 4/21/88, carries with it a taxable capital gain. The IRS requires that this capital gains tax be paid by the estate or the beneficiaries if the taxable capital gain is passed through the estate to the beneficiaries before the end of the tax year.

The gross profit percentage on the sale was seventy-nine percent (79%). **The payoff of the Lynch note to the estate on 4/21/92 was \$545,820.42 of which \$45,067.74 was income and \$500,752.68 was capital. Of that \$500,752.68 in capital, 79% or \$395,594.62 is taxable capital gain.**"

(1992.11.16 Anthony O'Connell to Edward White, in part.)

"Regretfully I have to amend my letter of Friday. There is no "stepped up basis" on the Lynch note according to the accountants who are preparing the fiduciary income tax return."

(1992.11.16 Edward White to Anthony O'Connell, Jean Nader, and Sheila O'Connell, in part)

"As far as an income prediction for the Estate is concerned, I can make no intelligent prediction since I do not know how long it will remain open. I have been continuously burned in making gratuitous comments about the tax liability of the heirs, and counsel and other attorney friends have stated to me, that given the performance of Mr. O'Connell, that I should make no comment at all. I tried to be helpful, but that did not work. I can only say that had I not been adamant about re-valuing the Accotink property, Mr. O'Connell's initial approach would have cost this estate dearly. From the comments in his recent demands for "information", I can see that he is jumping to conclusions based on no knowledge at all. I will not reply directly to him on any future aspect of this estate. As a matter of fact I am precluded as an attorney from dealing with an adverse party who is represented by counsel. I have no intentions of having him dictate the duties of the fiduciaries. If his counsel wishes to discuss anything, I am certainly available."

(1993.02.02 Edward White to trusting family member Jean Nader, in part)

(This is what my family has been led to believe and they will never get beyond this unless a just power steps in. My attempts to expose bk467p191 are considered a hostile act)

Accotink

No matter how clean a sales contract I could get for Accotink, does it look as if the accountants can takeover and justify it with a "I recalled that a conceivably adverse relationship had developed between you and your mother [family member] concerning the sale."? Would it be prudent to enter into a sales contract for Accotink under the present conditions?

Dear Sarah E. Hall,

I wonder if you wonder whether Jean Nader might have intentionally mislead you into believing that I have done little to try to sell Accotink, when it has become obvious that that is not true. Jean Nader would not intentionally mislead you; she trusts what the accountant's tell her to a degree that is beyond believing. She will do what the accountants tell her to do. I believe you would be astounded. She is innocent.

If your staff studied <http://www.canweconnectthedots.com>, would they see that the accountants manipulated our mother into putting Jean in control? Putting Accotink in the control of Jean Nader is putting Accotink in the control of the accountants.

I pray that you would use your power and prestige, and most of all your willingness to be transparent and accountable, to ask B&K to try to expose Bk467p191. The path to exposure would show most all that is needed. If this is not possible in the situation that we find ourselves in now, I don't believe it ever will be exposed. B&K would be giving the real estate industry of Virginia, the legal profession of Virginia, and the people of the country a huge gift.

Mr. O'Connell:

While we had earlier received formal confirmation of your receipt of my letter of May 25, 2012, it was good to hear directly from you that you had received it.

In your emails you mention a number of issues regarding the respective estates and trusts of your parents and the title to the property in the 1992 Land Trust, and you provided a link to a website on which you raise more questions. We believe these issues were mooted some time ago by findings of the Commissioner of Accounts and the Circuit Court of Fairfax County.

We were sorry to hear of your recent illness. In light of your ill health and the great distance that you live from the Virginia property, it would seem appropriate—and certainly understandable—for you to resign as Trustee of the 1992 Land Trust.

Best regards,

Sarah Hall

Dear Mr. O'Connell:

I have received various e-mails from you over the past several days and wanted to clarify one issue that you raised. As you know, you are named as a defendant in the Complaint filed by Jean Nader in your capacity as trustee under the Land Trust agreement and in your individual capacity. The substantive claims against you in the lawsuit arise out of your actions as trustee. You are named as a defendant in your individual capacity because you are a beneficiary under the Land Trust agreement. As a beneficiary, you are an interested party to the legal proceedings and must be notified that the lawsuit is pending.

The primary purpose of the lawsuit is to request your removal as trustee under the Land Trust. Are you willing to voluntarily resign as trustee, so that your sister Jean can work to try to sell the Accotink property for the benefit of you and your sisters? If not, we will continue to seek a resolution of this difficult matter through the court proceedings.

MOTION FOR TEMPORARY INJUNCTION

COMES NOW the Plaintiff, Jean Mary O'Connell Nader, by counsel, and moves this Court pursuant to Va. Code § 8.01-629 for a temporary injunction for the purpose of continuing the term of the Land Trust pending a Final Order in this action. In support of her motion, Plaintiff states the following.

1. This is an action by which Plaintiff seeks to, *inter alia*, remove Defendant Anthony M. O'Connell as trustee under a Land Trust Agreement dated October 16, 1992 (the "Land Trust"). The beneficiaries under the Land Trust are Plaintiff and her siblings, Defendants Sheila O'Connell and Anthony M. O'Connell, individually.

2. As alleged in the Complaint, the Land Trust holds title to certain real property (the "Property") consisting of approximately 15 acres located near the Franconia area of Fairfax County, Virginia.

3. The terms of the Land Trust Agreement provide for the termination of the trust on October 16, 2012 and, upon the termination date, the trustee is directed to convey record title of the Property to the beneficiaries or sell the Property at a public sale.

4. A conveyance of the Property to the beneficiaries or a public sale of the Property before a Final Order has been entered in this case would result in irreparable harm to the Plaintiff, as a beneficiary of the Land Trust.

5. As of the date of the filing of this Motion, Defendant Sheila O'Connell has been served with the Complaint and the time period for her to file an answer is pending. Upon information and belief, Defendant Anthony M. O'Connell has filed a response to the Complaint, which consisted of a one-page letter directed to the Clerk of Court, and the filing of numerous documents and records containing his annotations.

6. By his own admission, Defendant Anthony M. O'Connell, as trustee, has not paid the real estate taxes on the Property or sold the Property, contrary to the terms in the Land Trust agreement.

7. Under the circumstances, the likelihood of success on the merits and the balance of equities favor the Plaintiff.

8. It is in the public interest to allow the Trust to continue in order for Plaintiff to pursue a remedy that will allow for the orderly sale of the Property for the benefit of the beneficiaries of the Trust.

WHEREFORE, Plaintiff Jean O'Connell Nader, by counsel, respectfully requests the entry of an Order as follows:

- A. Providing injunctive relief in the form of continuing the term of the Land Trust until such time as a Final Order has been entered in this case;

- B. Enjoining Anthony M. O'Connell, as trustee under the Land Trust Agreement,
from conveying record title of the Property to the beneficiaries or selling the
Property at a public sale; and
- C. For all such further relief as this Court deems reasonable and appropriate.

A minimum of two weeks' notice is required for all motions for Summary Judgment, Demurrers, Pleas in Bar, motions pertaining to discovery disputes and other motions for which any party desires to file a memorandum. A memorandum of points and authorities of five pages or less must accompany any of these pleadings and any other motion placed on the Two Week Docket. Counsel of record shall make a reasonable effort to confer before giving notice of a motion to resolve the subject of the motion and to determine a mutually agreeable hearing date and time."

CERTIFICATE OF SERVICE: Pursuant to Rule 4:15 (e), a motions pleading shall be deemed served when it is actually received by, or in the office of, counsel of record through delivery, mailing, or facsimile transmission; not when it is mailed or sent.

INFORMATION FOR MOVING PARTY

COURTCALL TELEPHONIC APPEARANCE: In most cases, Virginia attorneys may appear by phone in lieu of appearing in Court for the hearing. To set up a telephonic appearance, you must call (888) 882-6878. Counsel of record shall make a reasonable effort to confer before giving notice of a motion to resolve the subject of the motion **and to determine a mutually agreeable hearing date and time.**"

CERTIFICATE OF SERVICE: Pursuant to Rule 4:15 (e), a motions pleading shall be deemed served when it is actually received by, or in the office of, counsel of record through delivery, mailing, or facsimile transmission; not when it is mailed or sent.

Property in the Lee District, Fairfax County
TM 90-4 ((1)) 17

Dear Ms. Shevenell and Mr. O'Connell:

This firm is representing your sister Jean O'Connell Nader in her capacity as Successor Trustee under the Land Trust Agreement dated October 16, 1992. Jean has asked us to bring you up to date on the actions she has taken with regard to the approximately 15 acre trust property ("Property") identified above since she was appointed Successor Trustee on January 25, 2013.

It was apparent to Jean when she became Successor Trustee that the Property had to be sold. The delinquent real estate taxes, which had been accruing interest and penalties, were approaching a total of \$30,000, and Fairfax County had turned the matter over to a collection agency. Jean was advised that if the taxes were not brought current, there would eventually be a tax sale which, given the Property's R-1 zoning and the fact a large portion of the Property is in the Resource Protection Area ("RPA"), would in all probability yield only a fraction of the Property's true value.

Jean's first step was to have the Property appraised. She retained a highly regarded local appraiser to prepare a Restricted Appraisal. Because it is difficult at this point to predict accurately the density at which the Property may be approved for development, at our instruction the appraiser provided a value range per townhouse lot. In determining this range, he assumed that the Property could be developed with approximately 30 to 39 townhouse units.

Ms. Shevenell
Mr. O'Connell
July 3, 2013
Page 2

While Tony was Trustee he had been in negotiation with Bill Lynch and Andy Somerville for the sale of the Property. A contract was never signed, but Bill and Andy apparently did quite a bit of work in exploring how the Property could be developed. Knowing that Bill and Andy remained interested in the Property, we on Jean's behalf asked them to submit a non-binding letter of intent which set out the basic terms and conditions under which they would be willing to purchase the Property. They did so, but Jean concluded that the price offered was not acceptable. She responded with a counteroffer which was eventually accepted. A letter of intent was executed on May 24, 2013, and we immediately set out negotiating a binding Real Estate Sales Contract ("Contract") based upon the letter of intent. By June 20, 2013, there was a fully executed Contract between Jean as Successor Trustee and Long Branch Partners, L.L.C. ("Purchaser"), a limited liability company owned and controlled by Bill and Andy.

The pertinent provisions of the Contract are as follows:

- There is a 90 day Feasibility Period during which Purchaser will determine whether to proceed under the Contract or to terminate it.
- In the event Purchaser does not terminate the Contract, within ten (10) days of the close of the Feasibility Period, Purchaser shall pay off the delinquent real estate taxes, and it shall continue to pay the real estate taxes on the Property as they become due until Settlement or until termination of the Contract.
- The repayment of the real estate taxes to Purchaser will be reflected in a non-recourse promissory note which Jean will execute as Successor Trustee and which will be secured by a Deed of Trust against the Property. At Settlement there will be credited against the purchase price all the real estate taxes which Purchaser has paid.
- Purchaser will be responsible, at its own expense, for rezoning the Property and getting its subdivision approved. (The rezoning will be heard by the Board of Supervisors in a decidedly political context; the subdivision process is administrative.) Purchaser's obligation to purchase the Property is contingent upon its getting approval of at least 30 townhouse lots.
- The purchase price will be determined by the number of approved townhouse lots, the per lot price of \$57,500 being the top of the value range established by the appraiser.

Ms. Shevenell
Mr. O'Connell
July 3, 2013
Page 3

It is anticipated, and the Contract provides, that Settlement will take place in late 2015 or even early 2016, assuming the contingency is met. While it is unfortunate that Settlement cannot take place sooner, getting the highest value for the Property necessarily requires having it rezoned and having its subdivision approved. As noted above, Purchaser will undertake this effort at its own expense, and that expense will be considerable. Also, while the entitlement process is moving forward, Purchaser will be paying the real estate taxes on the Property.

Jean is delighted that Purchaser is committed to paying a good price for the Property, as determined by the appraisal. In addition, because no broker was involved in the transaction, the Trust will be spared paying a hefty commission out of the settlement proceeds.

Bill and Andy appear to be quite excited to have the Property under Contract. They are experienced developers in Fairfax County and give every indication that they will aggressively pursue the rezoning of the Property and subdivision approval. At this point there is reason for cautious optimism that Settlement will eventually take place under the terms and conditions of the Contract. Please be aware, however, that Settlement is far from certain and that you should not assume that the contingency will be fulfilled and the Property sold to Purchaser.

We will keep you up to date on Purchaser's progress.

Best regards to you both.

Yours truly,

Sarah E. Hall

Re: Property in the Lee District, Fairfax County
TM 90-4 ((1)) 17

Dear Ms. Shevenell and Mr. O'Connell:

As you recall, by letter of July 3, 2013 we advised you that Jean Nader as Successor Trustee under the Land Trust Agreement dated October 16, 1992 had entered into a Real Estate Sales Contract with Long Branch Partners, L.L.C. We gave you a summary of the pertinent provisions of the Contract, the most important one being that settlement is contingent upon Purchaser's getting the approximately 15 acre Property rezoned and getting its subdivision approved. The purpose of this letter is to bring you up to date on what has happened since our earlier letter was written.

During the Feasibility Period Purchaser determined that extending Thomas Grant Drive to the Property from Island Creek would be considerably more expensive than it had anticipated. Not only will the construction costs *per se* be high, but Purchaser will need to purchase from the Fairfax County Park Authority slope and temporary construction easements. Purchaser's studies also indicated that it might not be able to get approval for at least 30 townhouse lots, which the Contract set as the contingency. Just prior to the end of the Feasibility Period Purchaser requested that the Purchase Price be decreased to offset the cost of the road and that the contingency be revised to reflect the very real possibility of a lower lot yield. Jean concluded that it was necessary to amend the Contract to keep Purchaser from terminating. She agreed to an Amendment to the Contract which provided that the Purchase Price would be \$1,250,000 plus \$50,000 for each townhouse lot in excess of 25 and that the contingency would be approval, through the rezoning and subdivision processes, of at least 25 townhouse lots. While lower than

Ms. Shevenell
Mr. O'Connell

Page 2

the original price, the new Purchase Price is within the value range per townhouse lot in the Restricted Appraisal which Jean commissioned.

With the Amendment in place, the 90 day Feasibility Period closed without Purchaser's terminating the Contract. In compliance with the Contract's terms, Purchaser paid the delinquent real estate taxes on the Property and will continue to pay the taxes until Settlement or until the Contract terminates. Jean signed a Note as Successor Trustee to repay Purchaser for the taxes in the event the Contract does not close, and the Note is secured by a Deed of Trust on the Property. It is a great relief to have the tax matter resolved.

In December of 2013 Purchaser submitted to Fairfax County its application to rezone the Property to the PDH-4 district, but the County did not accept it as "being complete", *i.e.* in appropriate form for review, until March 21. The application is now being reviewed by the various County agencies and the Virginia Department of Transportation. On a parallel track Purchaser is continuing to meet with neighboring civic associations and the Lee District Land Use Committee. The public hearings will begin in the fall—first before the Planning Commission, which will make a recommendation, and then before the Board of Supervisors, which will take final action. The Planning Commission hearing has been tentatively scheduled for October 2. If it in fact takes place then, there would be good reason to expect that the Board of Supervisors would hear and take action on the application before the end of this year. Should the rezoning be granted, as we all hope it will be, the next step would be Purchaser's pursuit of subdivision approval.

Purchaser has a long way to go, but it is on its way, and it has a good team of consultants working toward the granting of its rezoning application. We will keep you advised as to Purchaser's progress.

Best regards.

Yours truly,

Sarah E. Hall

Do you know why the Buyer (Edwin W. Lynch, Jr., and Andy Somerville(?)) will not communicate with me? Do you know why my sisters Jean Nader and Sheila O'Connell will not communicate with me? Why the secrecy?

Why does the Buyer apparently believe that your client Jean Nader has the legal capacity to contract for the 1992 trust property? Why does B&K believe it?

Please show the document trail from the 1992 deed at bk8307p1446 to where Jean Nader would become "Successor Trustee" with the legal capacity to contract.

RE: O'Connell Property

Dear Ms. Hall,

Please accept this correspondence as Long Branch Partners, LLC's ("Purchaser") Letter of Intent to purchase approximately 15 acres of land located at the terminus Thomas Grant Drive in Springfield, Virginia with Fairfax County Tax ID Number 0904-01-0017 ("Property") and currently zoned R-1 (one dwelling unit per acre) in Fairfax County from Jean Nader, Successor Trustee Under the Land Trust Agreement Dated: October 16, 1992 ("Seller") under the following terms and conditions:

Minimum Purchase Price: \$1,725,000.00

Final Purchase Price: To be increased by \$57,500.00 for each townhouse lot zoned and site plan approved over 30.

Study Period: 90 Days

Settlement: Within 24 months after the expiration of the Study Period.

Deposit and Real Estate Taxes: \$50,000.00 in the form of a promissory note to be converted to cash at the expiration of the Study Period. Within three days of the expiration of the Study Period, Seller shall bring current the Real Estate taxes on the Property now in default with Fairfax County. Purchaser will pay the Real

Estate taxes on the Property as they become due until Purchaser terminates the Contract in accordance with its terms or closes on the Property.

All Real Estate taxes paid by Purchaser on the Property shall be credited to the Purchase Price at settlement.

In the event that Purchaser fails to achieve the zoning and site plan approvals for a minimum of 30 Townhouse lots by the Settlement Date and terminates the Contract, then the Real Estate taxes paid by Purchaser shall become a lien on the Property which shall be paid when the Property is sold.

In the event that Purchaser defaults under the terms of the Contract and fails to cure said default, then the Deposit and all Real Estate taxes paid by Purchaser shall be forfeited.

Contingency: Full and final settlement is contingent upon Purchaser's obtaining rezoning and site plan approval for 30 or more townhouse lots. Should it not do so by the Settlement Date, Purchaser may terminate the Contract and receive a refund of the Deposit.

This Letter of Intent is not a binding agreement; however, upon execution of this Letter of Intent, Seller and Purchaser agree to enter into good faith negotiations to reach a final agreement acceptable to both parties. Upon full execution by Seller and Purchaser, the final agreement will be binding.

If you have any questions, or concerns, please give either Bill or me a call. We thank you for your consideration and look forward to your response.

Very truly yours,

Andrew J. Somerville, III

REAL ESTATE SALES CONTRACT

THIS REAL ESTATE SALES CONTRACT (the "Contract") is made and entered into as of this 20th day of June, 2013, by and between JEAN MARY O'CONNELL NADER, Successor Trustee under the Land Trust Agreement dated October 16, 1992 ("Seller"), and LONG BRANCH PARTNERS, L.L.C., a Virginia limited liability company ("Purchaser").

RECITALS:

WHEREAS, Seller holds legal title to an approximately fifteen (15) acre parcel of land in Fairfax County, Virginia identified on the Tax Map as TM 90-4 ((1)) 17 (the "Property"); and

WHEREAS, Seller was appointed Successor Trustee under the Land Trust Agreement dated October 16, 1992, recorded in Deed Book 8845, page 1449 among the land records of Fairfax County, Virginia, by the Circuit Court of Fairfax County by Order entered January 25, 2013 (the "Order"), a copy of which is attached; and

WHEREAS, Seller desires to sell the Property and Purchaser desires to purchase the Property upon the terms and conditions hereinafter set forth.

NOW, THEREFORE, for and in consideration of the foregoing, of the mutual promises of the parties contained herein and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending legally to be bound, hereby covenant and agree as follows:

1. Sale and Purchase of Real Property. Seller agrees to sell the Property to Purchaser, and Purchaser agrees to purchase the Property from Seller, at the price and upon the terms and conditions hereinafter set forth.

2. Purchase Price.

(a) The minimum purchase price for the Property shall be One Million Seven Hundred Twenty-Five Thousand and 00/100 Dollars (\$1,725,000). The Purchase Price to be paid at Settlement shall be calculated as follows: $\$1,725,000 + (\$57,500 \times (\text{number of townhouse lots for which Purchaser obtains rezoning and site plan approval greater than 30}))$. For purposes of calculating the purchase price, Purchaser shall not be required to pay Seller for any townhouse lots that are required to be designated as Affordable Dwelling Units ("ADU") by Fairfax County.

(b) Within two (2) business days after the Effective Date of this Contract, as defined in Paragraph 26 below, Purchaser shall deliver to Stewart Title and Escrow, Inc. ("Escrow Agent" or "Title Company") at 10505 Judicial Drive, Suite 300, Fairfax, Virginia 22030, Attention: Mark Fitzgerald, a promissory note due on demand made payable to Seller in the amount of \$50,000 ("Promissory Note"). Escrow Agent shall hold the Promissory Note in escrow and deliver it as provided herein.

(c) Any dispute between Seller and Purchaser with respect to the entitlement of either to receive the Promissory Note or the Deposit, as defined in Paragraph 6(b) below, shall be limited solely to the amount of the Deposit and attorney's fees and other costs of collection, should there be any.

(d) At Settlement, Purchaser shall pay the Purchase Price in cash or other immediately available funds, and the Deposit shall be applied to the Purchase Price.

3. Time is of the Essence. TIME IS OF THE ESSENCE OF ALL ASPECTS OF THIS CONTRACT.

4. Title.

(a) Title to the Property shall be good of record and in fact, marketable and insurable at standard rates by a title insurance company licensed to do business in Virginia. Any monetary liens shall be satisfied out of settlement proceeds.

(b) Within fifteen (15) days after the Effective Date, Purchaser shall order a title examination and commitment as to the status of title to the Property ("Purchaser's Title Commitment"). Within sixty (60) days after the Effective Date, Purchaser shall deliver to Seller copies of Purchaser's Title Commitment and, should Purchaser commission one, a survey and shall advise Seller by written notice ("Title Objection Notice") of any objections that Purchaser may have as to the matters reflected in Purchaser's Title Commitment or the survey ("Title Objection(s)"). In the event it does not timely give a Title Objection Notice, Purchaser shall be deemed to have accepted title as reflected in Purchaser's Title Commitment and, if one is prepared, the survey, should Purchaser elect to proceed beyond the Feasibility Period under this Contract. Within ten (10) days after delivery of a Title Objection Notice to Seller, Seller shall advise Purchaser by written notice ("Seller Title Notice") that Seller elects to either:

(i) immediately undertake at her expense and diligently pursue corrective action and proceed to resolve the Title Objection(s) by the Settlement Date as defined in Paragraph 9(a); or

(ii) not remedy the Title Objection(s).

In the event Seller does not timely give a Seller Title Notice to Purchaser, Seller shall be deemed to have elected to not remedy the Title Objection(s).

(c) In the event Purchaser advises Seller of Title Objection(s) and Seller elects not to undertake corrective action, Purchaser may elect either to waive such Title Objection(s) and proceed under this Contract or to terminate this Contract and have the Promissory Note returned to it. Purchaser shall advise Seller as to its election prior to the expiration of the Feasibility Period should Purchaser elect to proceed beyond the Feasibility Period under this Contract.

(d) Seller expressly acknowledges that Seller shall be required to cause to be released at or prior to Settlement any mortgages, deeds of trust or monetary liens (including without limitation mechanic's liens) to the extent that such monetary liens are not caused by Purchaser's activities on the Property, and Purchaser shall not be required to list any such matters as Title Objection(s). All matters disclosed by Purchaser's Title Commitment which are not the subject of Title Objection(s) by Purchaser, other than monetary liens as described above, shall be deemed to be Permitted Exceptions (as defined below). If Purchaser does not terminate this Contract, all Title Objection(s) which Seller has elected not to cure shall be deemed Permitted Exceptions. If Seller, with the exercise of reasonable diligence, is unable to cure any Title Objection(s) which Seller has elected to cure within four (4) months following the receipt of such Title Objection(s), Purchaser shall elect, within ten (10) days after the expiration of such four-month period, by written notice to Seller, either (x) to terminate this Contract, in which event the Deposit shall be returned to Purchaser and the parties shall have no further rights or obligations hereunder (other than those which by their specific terms are to survive a termination of this Contract), or (y) to waive such Title Objection(s) and proceed in accordance with the terms of this Contract, in which event such Title Objection(s) shall be deemed to be Permitted Exceptions to title. The "Permitted Exceptions" shall mean (i) all matters disclosed by the Purchaser's Title Commitment which are not the subject of Title Objection(s) by Purchaser, other than monetary liens, (ii) all Title Objection(s) which Seller has elected not to cure (provided Purchaser does not elect to terminate this Contract as set forth above), and (iii) all Title Objection(s) which Seller has elected to cure but which Seller is unable to cure within four (4) months following the receipt of such Title Objection(s) (provided Purchaser does not elect to terminate this Contract as set forth above). The Purchaser's Title Commitment may be updated by the Escrow Agent, at Purchaser's expense, prior to Settlement. Any title exception, other than a Permitted Exception, which appears on such updated Purchaser's Title Commitment (a "New Exception") shall be cured by Seller prior to Settlement, and the date for Settlement shall be deferred for up to sixty (60) days to permit Seller to cure such New Exceptions.

(e) Subsequent to the Effective Date, Seller shall not mortgage or encumber the Property or execute any easements, covenants, proffers, conditions or restrictions with respect to the Property without Purchaser's prior written consent.

(f) Title to the Property shall be conveyed by Seller to Purchaser at Settlement by Special Warranty Deed in recordable form subject only to the Permitted Exceptions or those other exceptions waived by Purchaser and deemed Permitted Exceptions as set forth above.

(g) In the event any matter which renders title to the Property to become unmarketable or uninsurable at ordinary rates arises subsequent to the Effective Date and is not disclosed in the Purchaser's Title Commitment, Seller shall cause same to be cured and the date for Settlement shall be deferred for up to sixty (60) days to permit such cure.

(h) Purchaser shall have the right to have the Property surveyed by a surveyor licensed by the Commonwealth of Virginia, chosen by Purchaser, prior to the expiration of the

Feasibility Period. If the report of survey (the "Survey") shows any encroachment on the Property or encroachments into the adjoining lands of others or other defects and Purchaser objects to the same by written notice to Seller prior to the, the same shall be treated as a Title Objection(s) in accordance with Paragraph 4(b).

(i) Seller and Purchaser agree that the issue of marketability of the title to the Property or the curing or removal of a Title Objection shall be determined on the basis of applicable standards adopted by the Title Company.

5. Entry onto Property.

Until Settlement hereunder or until such time as this Contract is terminated as provided herein, Purchaser shall have the right, at its own risk and expense, to enter onto and have its agents enter onto the Property to make engineering studies, conduct tests, including soil borings, and to survey the Property. Prior to exercising its right of entry, Purchaser must have a policy of comprehensive general liability insurance which reasonably covers the risks involved. Purchaser shall indemnify and hold Seller harmless against any damages or claims which may result from the activities of Purchaser or its agents on the Property, except for damages or claims that result from the negligence or activities of Seller or her agents. In the event of termination of this Contract under its terms, Purchaser shall return the Property substantially to its condition before disturbance by Purchaser. Notwithstanding any other provision of this Contract, the obligations of Purchaser set out in this Paragraph 5 shall survive termination of the Contract.

6. Feasibility Period; Deposit.

(a) During the period which shall extend ninety (90) days after the Effective Date ("the Feasibility Period") Purchaser shall determine in its sole discretion whether to proceed under this Contract or to terminate it. Should Purchaser decide to terminate this Contract, it shall so notify Seller on or before the last day of the Feasibility Period, and Escrow Agent shall return the Promissory Note to Purchaser upon being notified by Seller that it has received from Purchaser copies of all studies or tests relating to the Property commissioned by Purchaser and that Purchaser has restored the Property to its pre-inspection state. Upon Purchaser's receipt of the Promissory Note, the parties shall have no further rights or obligations under this Contract. Purchaser's failure to terminate this Contract on or before the last day of the Feasibility Period shall be deemed a decision by Purchaser to proceed under the Contract.

(b) If Purchaser elects to proceed under the Contract, within ten (10) days thereof Purchaser shall substitute for the Promissory Note, which shall be returned to Purchaser, the sum of \$50,000 (the "Deposit") which, except for that portion of the Deposit which Purchaser shall use to pay real estate taxes, interest and penalties as set forth below, Escrow Agent shall hold in escrow and disburse as provided herein. The Deposit shall be paid by Purchaser within that ten (10) day period as follows: (i) Purchaser shall bring current the real estate taxes due on the Property, including interest and penalties (the "Delinquent Taxes"), which amount shall be considered a portion of the Deposit; and (ii) Purchaser shall deliver the difference between \$50,000 and the Delinquent Taxes to the Escrow Agent.

(c) Thereafter, until Settlement hereunder or until such time as this Contract is terminated in accordance with its terms, Escrow Agent shall, upon presentation of a bill issued by Fairfax County for real estate taxes, make timely payment to Fairfax County of the real estate taxes on the Property as they become due (the "Real Estate Taxes"). Payment of the Real Estate Taxes shall be made by Escrow Agent from the balance of funds comprising the Deposit held by Escrow Agent. All Real Estate Taxes paid from the balance of funds comprising the Deposit shall be considered a portion of the Deposit. In the event the total Delinquent Taxes and the Real Estate Taxes paid exceed \$50,000, the amount by which \$50,000 is exceeded shall be considered additional Deposit, and this amount and the \$50,000, together being the Deposit, shall be credited against the Purchase Price at Settlement. After such time as all of the funds comprising the Deposit held by Escrow Agent have been used to pay Real Estate Taxes, Purchaser shall be responsible for making timely payment of real estate taxes to Fairfax County, subject to the terms and conditions of this contract.

(d) The Deposit shall be nonrefundable except as otherwise provided herein.

(e) The repayment to Purchaser of the Delinquent Taxes and Real Estate Taxes paid by Escrow Agent and Purchaser shall be secured by a non-recourse note (the "Note") from Seller to Purchaser and a deed of trust (the "Deed of Trust") recorded against the Property, the forms and terms and conditions of which shall be agreed upon by the Seller and Purchaser during the Feasibility Period. Prior to the execution of the Note and Deed of Trust by Seller, Purchaser shall execute a Deed of Release or similar document (the "Release"), the form of

which shall be agreed upon during the Feasibility Period. The Note and the Release shall be held in escrow by Escrow Agent and delivered or, in the case of the Release, recorded as provided herein.

(f) After the Effective Date Seller shall make no physical changes to the Property without the prior written consent of Purchaser.

(g) Without making any representation as to its accuracy or completeness, Seller has provided Purchaser with a copy of a Title Report on the Property issued by Walker Title, LLC, effective July 15, 2012, prior to the entry of the Order. Purchaser acknowledges that Seller is not in a position to provide it with any additional documentation regarding the Property. Purchaser acknowledges that it compiled significant information regarding the Property several years ago, when it had attempted to purchase the Property from the then Trustee under the Land Trust Agreement dated October 16, 1992. Notwithstanding the foregoing, to the extent Seller receives any documentation concerning or affecting the Property or becomes aware of any information concerning or affecting the Property, Seller shall immediately deliver and/or provide such documents and information to Purchaser.

(h) Except as provide in Paragraph 7(h), Seller makes no representation or warranty as to the condition of the Property, which is being sold "as is". During the Feasibility Period Purchaser shall satisfy itself as to the condition of the Property, including its environmental condition.

7. Representations and Warranties of Seller. Seller makes the following representations and warranties which are, to the best of her knowledge and belief, except as otherwise stated below, true as of the date hereof and shall be true at Settlement:

(a) Seller has the right to sell and convey the Property to Purchaser and to take all other actions necessary to consummate the transaction contemplated in this Contract, and the signature of no other party is required to make this Contract enforceable against Seller.

(b) The execution and delivery of this Contract and the consummation of the transaction herein contemplated will not conflict with or result in a breach of the terms of or constitute a default under any document to which Seller is a party or by which Seller or the Property is bound or any applicable judgment, order or decree of any court having jurisdiction over Seller or the Property.

(c) Seller has received no written notice of violation of any ordinance, regulation, law or statute of any governmental authority or agency pertaining to the Property; she is, however, aware of the Delinquent Taxes.

(d) Seller has received no written notice of any pending or proposed condemnation regarding any portion of the Property or of any pending or proposed special tax or assessment.

(e) There are no attachments, executions, assignments for the benefit of creditors, voluntary or involuntary proceedings in bankruptcy or under applicable debtor relief laws involving either Seller or the Property.

(f) There are no cemeteries or other burial lot on the Property.

(g) Other than Fairfax County's engaging a collection agency to collect the Delinquent Taxes, there are no actions, suits or other proceedings pending against Seller which would have a material adverse effect on the Property or Seller's ability to enter into or perform this Contract.

(h) To Seller's actual knowledge, no hazardous substances or hazardous materials have been released, deposited, stored or placed in, on, under or above the Property during Seller's ownership of the Property or prior to Seller's ownership thereof, and to Seller's knowledge no such hazardous substances or hazardous materials currently exist in, on, under or above the Property such that their existence would violate applicable laws, ordinances, statutes and regulations. As used herein, all references to hazardous materials and raw materials, products or waste of a toxic or hazardous nature shall mean and refer to hazardous waste as that term is defined in the Resource Conservation and Recovery Act of 1976 (42 U.S.C. Section 6901, et. seq.), the Comprehensive Environmental Response Compensation and Liability Act of 1980 (42 U.S.C. Section 9601, et. seq.), or under any other federal, state or local law, ordinance, statute, rule or regulation, including, without limitation, any asbestos or asbestos-related products and any oils or pesticides.

(i) All bills and claims for labor performed and materials furnished to or for the benefit of the Property for all periods prior to the Effective Date have been (and on or prior to the Settlement Date will be) paid in full, and on the Settlement Date there shall be no mechanics' liens or materialmen's liens, whether or not perfected, on or affecting any portion of the Property, and if there are any such liens, Seller shall obtain the release of the same on or before the Settlement Date so that Purchaser's owner's policy of title insurance shall contain no exceptions for such liens. However, any bills, claims or liens relating to or arising from Purchaser's pre-Settlement activities on the Property are expressly excluded from the provisions of this representation and warranty. Seller agrees, at Settlement, to execute any affidavits and/or customary agreements which may be required by Purchaser's Title Company in order for Purchaser to obtain from Title Company an owner's policy of title insurance covering the Property without exception for mechanics' liens or rights of parties in possession.

(j) There are no parties in possession of any portion of the Property as lessees, tenants at will or at sufferance, or, to Seller's actual knowledge, trespassers or otherwise.

In the event any of these representations and warranties is untrue or incorrect as of the Settlement Date, Seller shall be in default under this Contract, and Purchaser shall be entitled to the remedies for such default as provided herein.

Purchaser acknowledges that Seller is a resident of New Kensington, Pennsylvania and does not visit the Property on a regular basis and has little knowledge of the physical condition of the Property or any activity on it.

8. Rezoning of the Property and Technical Approval of Site Plan.

(a) Purchaser shall have twenty-four (24) months after the close of the Feasibility Period ("Approval Period") within which to obtain from Fairfax County rezoning of the Property to the R-3, R-4, PDH-3 or PDH-4 district, or such other district as the Purchaser may elect in its sole discretion, and technical approval of a Site Plan for development of the Property with at least thirty (30) townhouse lots (collectively "Zoning and Technical Approval"). The date Purchaser shall be deemed to have obtained Zoning and Technical Approval shall be the date that the Site Plan is forwarded to the Bonds & Agreement Office of the Department of Public Works and Environmental Services of Fairfax County. Obtaining Zoning and Technical Approval shall not include bonding of the Site Plan.

(b) Purchaser shall diligently and in good faith pursue Zoning and Technical Approval within the Approval Period, and it may, although it is not required to, begin to pursue Zoning and Technical Approval during the Feasibility Period. Purchaser shall initially seek approval of as many townhouse lots as it deems reasonably achievable. Seller acknowledges that, prior to submitting a rezoning application, Purchaser may pursue a revision of the Resource Protection Area as it affects the Property. Provided there is no expense to Seller, Seller shall fully cooperate and join in the execution, filing and prosecution of all applications for the Zoning and Technical Approval and any applications for other development approvals, including proffers, affidavits and the like, required in order to induce the Zoning and Technical Approval. If, at any time Purchaser reasonably concludes that it cannot obtain Zoning and Technical Approval upon terms and conditions acceptable to Purchaser, Purchaser may notify Seller of this fact and terminate this Contract, in which case the Deposit would be refunded to Purchaser as provided in Paragraph 8(e), and, if so directed by Seller, Purchaser would execute the documents necessary to permit Seller or its designee to continue to pursue approval of the rezoning application and the site plan.

(c) In the event Purchaser has not obtained Zoning and Technical Approval by the close of the Approval Period, Purchaser shall either terminate this Contract, in which case the Deposit would be refunded to Purchaser; proceed to Settlement under this Contract; or extend the Approval Period by 90 days by paying directly to Seller \$30,000, which shall not be credited against the Purchase Price at Settlement. In the event Purchaser has not obtained Zoning and Technical Approval by the close of the Approval Period as extended under this provision, it shall either terminate this Contract, in which case the Deposit would be refunded to Purchaser as provided in Paragraph 8(e), or proceed to Settlement under this Contract. Should Purchaser elect to proceed to Settlement under this provision after it has obtained the rezoning of the Property, the number of lots used in determining the Purchase Price shall be the number approved with the rezoning, excluding any ADU lots.

(d) Purchaser's obligation to purchase the Property shall be contingent upon its obtaining Zoning and Technical Approval for at least 30 townhouse lots. In the event that Purchaser seeks and obtains approval of fewer than 30 townhouse lots, however, it shall be deemed to have waived this contingency and be obligated to go to Settlement and to pay a purchase price of \$1,725,000.

(e) In the event Purchaser terminates this Contract in accordance with Paragraph 8(b) or 8(c), the portion of the Deposit which Escrow Agent still holds will be refunded to Purchaser, and the portion of the Deposit represented by the amount of the Delinquent Taxes and Real Estate Taxes which Escrow Agent and Purchaser have paid will remain secured by the Deed of Trust and shall be paid to Purchaser on the earlier of the due date set out in the Note or the sale of the Property to a third party. Upon such termination of this Contract, Escrow Agent shall deliver the Note to Purchaser.

9. Settlement.

(a) Settlement on the Property ("Settlement") shall take place at the office of Escrow Agent, which shall act as Settlement Agent. Settlement shall take place fifteen (15) days after Zoning and Technical Approval ("Settlement Date"). In no event, however, shall Settlement occur later than twenty-five (25) months after the last day of the Feasibility Period or, in the event of an extension of the Approval Period under Paragraph 8(c) above, twenty-eight (28) months after the last day of the Feasibility Period.

(b) At Settlement, Seller shall pay the cost of the preparation of the Deed, the grantor tax, and Seller's attorney's fees.

(c) At Settlement, Purchaser shall pay the cost of examination of title, title insurance, all remaining recording fees and taxes, Purchaser's attorney's fees, and all other costs of settlement.

(d) Real estate taxes shall be adjusted as of the Settlement Date, and Purchaser shall receive a credit against the Purchase Price for all Delinquent Taxes and Real Estate Taxes paid prior to the Settlement Date through full credit of the Deposit.

(e) At Settlement, Seller shall execute all documents reasonably requested by Purchaser, Purchaser's title insurance company, or the Settlement Agent, including certification that Seller is not a "foreign person" within the meaning of Section 1445 of the Internal Revenue Code of 1986, as amended, and an affidavit that no mechanic's liens have or may be filed against the Property.

(f) Deposit with Settlement Agent of the Purchase Price, the Deed, and such other documents and funds as are required of either party by the terms of this Contract for settlement shall be deemed good and sufficient tender of performance of the terms of this Contract with respect to Settlement.

(g) Possession shall be given to Purchaser at Settlement.

(h) At Settlement the Note shall be returned to Seller and the Release recorded.

10. Default.

(a) In the event Purchaser fails to perform its obligation to settle on the Property as required by the terms and conditions of this Contract and does not so perform within ten (10) days of receiving notice of such failure from Seller, Purchaser shall be in default, and Seller's sole remedy shall be to terminate this Contract and receive the Deposit as liquidated damages and not as a penalty, the parties agreeing that actual damages would be difficult to calculate precisely. In such event the Escrow Agent shall deliver to Seller the balance of the funds comprising the Deposit held by Escrow Agent, Purchaser shall forfeit the Delinquent Taxes and Real Estate Taxes paid comprising the remainder of the Deposit, and Escrow Agent shall return the Note to Seller and record the Release.

(g) In the event Seller fails to settle on the Property as required by the terms and conditions of this Contract and does not do so within ten (10) days of receiving notice of such failure from Purchaser, Seller shall be in default, and Purchaser shall have the right to terminate this Contract and receive a refund of the Deposit and the delivery of the Note from Escrow Agent or to institute against Seller a suit at law or in equity, including a suit for specific performance.

11. Risk of Loss. Until recordation of the Deed, the risk of loss or damage to the Property is assumed by Seller.

12. Condemnation. If, at or prior to Settlement, the Property or any material portion thereof shall be condemned or taken pursuant to any governmental or other power of eminent domain, or if written notice of any such taking or condemnation is issued, or proceedings instituted by any authority having the power of eminent domain, then and in any such event, Seller shall so notify Purchaser and Purchaser shall have the option, within ten (10) days after being given notice, of either: (i) terminating this Contract and having the Deposit refunded to Purchaser in accordance with Paragraph 8(e), or (ii) proceeding to settlement as provided in this Contract with no reduction in the Purchase Price, in which event Purchaser shall receive at Settlement all condemnation awards paid to Seller subsequent to the Effective Date for any part of the Property, together with an absolute assignment of Seller's right and interest as an owner in any unpaid condemnation award to be made with respect to the Property.

13. Notices. Unless otherwise provided herein, all notices and other communications under this Contract shall be in writing and shall be either mailed by certified mail, return receipt requested, or delivered by a nationally recognized overnight carrier service such as FedEx or Overnight Mail, as follows:

**AMENDMENT
TO
REAL ESTATE SALES CONTRACT**

THIS AMENDMENT ("Amendment") to Real Estate Sales Contract is made and entered into as of this 18TH day of September, 2013, by and between JEAN MARY O'CONNELL NADER, Successor Trustee under the Land Trust Agreement dated October 16, 1992 ("Seller"), and LONG BRANCH PARTNERS, L.L.C., a Virginia limited liability company ("Purchaser").

WITNESSETH:

WHEREAS, by Real Estate Sales Contract dated June 20, 2013 (the "Contract"), Seller agreed to sell and Purchaser agreed to purchase real property in Fairfax County, Virginia, more particularly described therein (the "Property"), subject to the terms and conditions set out in the Contract; and

WHEREAS, by this Amendment Seller and Purchaser desire to amend the Contract.

NOW, THEREFORE, for and in consideration of the sum of Ten Dollars (\$10.00), cash in hand paid, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree that the Contract shall be amended as follows:

1. Paragraph 2(a) of the Contract is revised to state in its entirety as follows:

The minimum purchase price for the Property shall be One Million Two Hundred Fifty Thousand and 00/100 Dollars (\$1,250,000). The Purchase Price to be paid at Settlement shall be calculated as follows: \$1,250,000 + (\$50,000 x (number of townhouse lots for which Purchaser obtains rezoning and site plan approval greater than 25)). For purposes of calculating the purchase price, Purchaser shall not be required to pay Seller for any townhouse lots that are required to be designated as Affordable Dwelling Units ("ADU") by Fairfax County.

2. The first sentence of Paragraph 8(a) for the Contract is revised to state as follows:

Purchase shall have twenty-four (24) months after the close of the Feasibility Period ("Approval Period") within which to obtain from Fairfax County rezoning of the Property to the R-3, R-4, PDH-3 or PDH-4 district, or such other district as the Purchaser may elect in its sole discretion, and technical approval of a Site Plan for development of the Property with at least twenty-five (25) townhouse lots (collectively "Zoning and Technical Approval").

3. The last sentence of Paragraph 8(b) of the Contract is revised to state as follows:

If at any time Purchaser reasonably concludes that it cannot obtain Zoning and Technical Approval and/or appropriate off-site temporary construction and grading easements and permanent slope easements for the construction of a road within the dedicated Thomas Grant Drive between TM 90-4((11)) L and Z, all upon terms and conditions acceptable to Purchaser, Purchaser may notify Seller of this fact and terminate this Contract, in which case the Deposit would be refunded to Purchaser as provided in Paragraph 8(e), and, if so directed by Seller, Purchaser would execute the documents necessary to permit Seller or its designee to continue to pursue approval of the rezoning application and the site plan.

4. Paragraph 8(d) of the Contract is revised to state in its entirety as follows:

Purchaser's obligation to purchase the Property shall be contingent upon its obtaining Zoning and Technical Approval for at least 25 townhouse lots. In the event that Purchaser seeks and obtains approval of fewer than 25 townhouse lots, however, it shall be deemed to have waived this contingency and be obligated to go to Settlement and to pay a purchase price of \$1,250,000.

5. The following sentence shall be added at the end of Paragraph 14 of the Contract:

Without in any way limiting the rights of Seller in the preceding sentence, Seller agrees that it shall convey the Property at Settlement to such party as Purchaser may direct.

6. Except as otherwise provided in this Amendment, the Contract shall remain unchanged and in full force and effect.
